COMPANY PROFILE

Connecting Art to Soul

**AL-SADAN
TEAM**

MEET AL-SADAN

Let us take you with us on an artistic journey of design, where we make each corner tells you a story.

We are a humanist group that exemplifies inclusion and solidarity. We understand the unique challenges of completing complex construction activities at new sites and have the expertise to manage them.

Projects benefit from our in-depth planning, collaborative approach and dedicated team of employee-owners who are experts at driving projects forward at the right pace.

We offer general contracting, construction management, design-build, and preconstruction planning services for projects of all sizes.

WHY AL-SADAN ?

The answer to your question is simple yet it's very detailed but few words can sum it all up.

Our team always promises to break your expectations and take it to higher level along with promising to provide you with the most competitive rates of the market over the highest quality and services.

Our construction services division provides considerable plant and steel fabrication and concrete production capabilities.

We have a strong building and information modelling department and a digital entity dedicated to furthering the commercial opportunities of our innovations.
